Artist Alley at FanCon

SPACE ASSIGNMENT

Artist Alley space is reserved for comic artists, illustrators, inkers and creative talent only. Creative talent in other pop culture areas will be accepted on a case by case basis.

Artist Alley space is limited and not all applications will be granted..

ARTIST COMPLIANCE

All vendors will obey federal, provincial and local laws and ordinances regarding the sale of material that, intentionally or unintentionally, infringes upon the trademarks or copyrights of another party.

Artist Alley vendors may only sell their own original artwork and creations.

Artists cannot sell licensed or logo merchandise unless it can be considered “fan art.”

Fan art may take up a reasonable amount of the display space regardless of mediums. For each piece of fan art displayed you must also display an original piece of similar size.

Artists mus use personal discretion to use a limited number of duplicates in your display.

When displaying fan art, artists must respect the source’s trademarks. This includes but is not limited to avoiding things such as use of logos in their display, signage referring to the artwork by its series or signage referring to the a character’s name.

Celebrity likenesses are considered to be fan art.

Items made using licensed fabrics or materials used under first sale doctrine are considered fan art. Items which fall under first sale doctrine may include but are not limited to stickers, comics, wall scrolls, and manga.

Everyone knows that copying someone else’s work is wrong, but there is no “magic rule” about how much must be changed to make it an artist’s own. The artist bears all responsibility and risk for the items brought for sale at Northern FanCon. Any questions regarding this policy will be resolved by the Department Head of Artist Alley, in consultation with Otakorp Inc.’s lawyer when needed. If a piece of art appears to be very similar to a licensed, copyrighted, etc. piece of art, the artist may be asked to remove it from display and sale at the discretion of the Department Head. The Department Head’s decision is final.

Any artwork containing a protected license created by the copyright holder, under commission of the copyright holder, or within the terms of a license agreement will be considered original artwork. If your work falls under one of these categories please be sure to have copies of all appropriate paperwork on hand.

Artists may not sell “mass produced” items. Artist Alley defines “mass produced” as more than 100 units of a single item. Resellers and commercial artists are welcome to purchase regular booth space.

Adult material is restricted and may only be displayed in a manner approved by Northern FanCon.
